

Dan Hobyn Stables

Haul-In Policies:

(For Clinics/Lynne Bergh Lessons/Robert Mendoza Lessons)

- Fees are \$20 per Rider/Horse Combination (payable by cash, check or venmo “@Dannette-Morgan”).
- A release form must be filled out for every rider. The form can be found on our website, danhobynstables.com.
- COVID-19 PROTOCOLS: Please refrain from entering the barn. Tack/Un-You're your horse at your trailer. Restrooms are open, but we ask that you follow the sanitation steps (listed on door of bathroom). A hose is located on the outside of the barn on the north side where you can get water. **DO NOT LET YOUR HORSE DRINK OUT OF OUR WATER TROUGHS.**
- Do Not leave children unattended – they must accompany an adult at all times.
- If there is inclement weather, you may use one of the x-tie areas to tack your horse. However, we ask that you clean up the area and sanitize after use. Also, please keep use to 15 minutes, so as to keep the area open for others to use.
- Please pull around to the back of the barn to park your trailer & unload your horse. This is much safer unloading away from the road, and also does not take up spaces in the parking lot for our lesson students/boarders. Please be mindful that there may be more trailers pulling in after you, so park according.

*Directions for pulling around back: Pull into the long driveway just north of the barn. Take the turn to the left before you get to the house. This road will lead you behind the barn:
